I Am The Living Christ: Teachings Of Jesus

Synopsis

The teachings of Jesus Christ have been updated in light of the hidden Gnostic texts and the ancient teachings of the Far East, where these wisdom teachings originated thousands of years before the advent of Jesus. Special emphasis is given to his emphasis on finding the Light within, which Jesus called the Father. His use of the I AM, the secret name of God, is highlighted. These teachings are as poignant and helpful in today's troubled times as they were 2,000 years ago. The power of his word in this book is palpable.

Customer Reviews

I love all Peter's Mt. Shasta's book!

Very nice booklet that fits in a pocket. Thank you.

Peter combines much older versions of the stories of Jesus and his teachings, which have long been ignored by those who SHOULD be interested in the Truth of Jesus' teachings, to provide a very refreshing, and more accurate version for the modern person. Peter has breathed Life into Jesus' great instructions and story, and opened them up for all to easily understand his unbiased message and direction for all mankind. Ye are all gods! Sons and Daughters of the Most High!

Thank you, Peter, for all your research and presenting a clear, open-hearted offering of the pure

teachings of Jesus. These are the teachings that I know in my heart are true. Your sweet book has ignited in me a desire to actually read the Bible and the missing books of the Bible with a fresh perspective. I received this book in the mail as a surprise present and I'm paying it forward by ordering several copies to give to friends.

This book is essential !! The I AM Living Christ truly illuminates and activates, -- further enriches understanding of - The Teachings of Jesus in language to seed, integrate and apply in life; and intake I Am , the Kingdom of Heaven, and The Father. This "I Am the Living Christ: Teaching of Jesus" book is a MUST READ, Sacred Text !!

Peter has done it again. This is the most insightful work I've ever read on the details of the stories about Jesus.

Remarkably clear and illuminating.

Channeled. Witchcraft. False Christ. False prophecies. All was prophesied! God will send delusions to those who don't know the truth. Test the spirits. People will lose faith and will believe spirits and doctrines of demons.
