## Customer Reviews

HANS CHRISTIAN ANDERSEN (1805-1875) was a prolific Danish author of plays, poems, travelogues, and novels, but is best remembered for his fairy tales. Some of his most famous fairy tales include The Little Mermaid, The Emperor's New Clothes, The Snow Queen, and The Ugly Duckling. His stories have inspired animated and live-action films, ballets, and plays. JANA CHRISTY has illustrated dozens of beautiful books for children, including the popular Never Girls series and the Little Golden Book We're Getting a Pet!

The illustrations are nice in this book, but the way the book is shortened is not the best. I still think it's a cute book for my daughter, but I'm a bit conflicted about the message that only a perfect princess would be good enough for a prince.

The book is in excellent condition but my 2.5 year old daughter doesn't seem to like it. The pictures are okay...like someone painted them with watercolors and the story is so-so.

Received it very quickly. In perfect new book condition. Perfectly satisfied. Great buy and great service.

Really cute book, love the art style. A nice little addition to my children's book collection.

I do not like the message this story sends. I only had a vague remembrance of the story before I purchased it.

The condition of the book is perfect - no signs that the book has ever been opened.

I grew up on the golden books and I had to buy it for my grandbaby. Thank you.

nice book, my boy insists to take this to school share with his classmates.
