TAKEN BY THE TRILLIONAIREInnocent and na f ve, Alicia Rowe believes she  s applying for a simple secretarial position until she comes face to face with the world  s first self-made trillionaire, Slate Mandrake. He agrees to hire her on one simple request: She must obey his every command without question. With limitless power and untold access to every pleasure imaginable, Alicia is in for the ride of her short life.
TRAINED BY THE TRILLIONAIREAlicia Rowe never imagined she would be seduced so easily by cunning trillionaire Slate Mandrake. He has taken not only her body, but mind and very spirit, seeking to dominate her completely. Now she finds herself journeying again to another unknown location and the untold pleasures that await. Made to take on multiple men at once in front of Slate  s ever-watchful eyes, the question remains: is she up to the challenge?
DOMINATED BY THE TRILLIONAIRESuave trillionaire Slate Mandrake promised his new and na f ve secretary he would show her the heights of his depravity. Now he is to make good on his word. Taken to a place called The Sanctuary, Slate has brought together his closest trillionaire friends to show Alicia Rowe exactly how to find true ecstasy. As always when Slate Mandrake is involved, however, it  s going to come at a cost. Warning: Contains hot sexual encounters, including group menage, public sex, voyeurism, multiple penetration, bondage, flogging, control and more. STRICTLY for adults only. EXCERPT A hand takes the neck of my dress and pulls. The material tears instantly down the centre and with one more pull is gone from my body completely. That dress was worth thousands, taken away in a fleeting moment by a man for whom money is endless. But why me? What makes me so special I should be brought out all this way? I don  t understand it. I pant hard, terribly conscious of my breathing and the way my chest bellows in and out. My _____ is split open, yawning and wet for attention as my _____s harden in the tepid, artificial air. Fingers brush over my backside with the very lightest of touch. I flinch. They leave, others moving over the lower swell of my _____. They explore. They tease. The world is dark. I wait. There is nothing else I can do. I flinch again when Slate speaks by my ear. “We are going to thrash you now, my love.
