The Day Of The LORD Is At Hand: 7th Edition - 2014

Synopsis

The 911 attack on America started the slide towards global chaos over a decade ago. Now the growing wars in the Middle East, and rumors of war with Russia over Ukraine, and the never ending economic crisis which has created out of control federal deficits, and financial markets which are merely levitating on a bubble of printed money, assuring the US that a dollar crisis is waiting in the wings, as the real economy continues to sink into a global depression. Everywhere you look, the world is beginning to spin out of control. You are living in the most dangerous time in the history of this nation and if you are not prepared for what lies immediately ahead, you and your family will likely not survive. Ignorance is no longer bliss. Ignorance is now fatal. If you hope to survive and endure what is coming upon America and the whole world, then you must find the truth. You must learn everything you can about what is really happening in America, and what is coming next. The events which are now coming to pass are described in detail in Bible Prophecy yet much of the Bible is in symbolic form and requires interpretation, for the "words were closed up and sealed until the time of the end". (Daniel 12:9) It is little wonder that men who labored to read the sealed prophecies over the many centuries failed to discern the true meaning for the prophecies of the Bible have been kept secret until the time of the end. Only now has the book been opened and the true message revealed. The Day of the LORD is at Hand was written to reveal the clear message of Bible prophecy to the last days church in America, and to help you survive and endure to the end, that you and your household maybe saved from the hour which has finally come upon us. "For as a snare it shall come upon all of them who dwell on the face of the whole earth, watch therefore and pray always, that you may be accounted worthy to escape all these things that shall soon come to pass, and to stand before the Son of man". Customer Reviews

This is one of the most important books I have read in the past three years and I highly recommend it for anyone interested in or studying end time Bible prophecy. Benjamin skillfully writes and articulates the events which are about to come upon the earth and specifically the United States. Mr. Baruch is a Biblical scholar and has studied the Hebrew language in depth and gives translations of words to help us better interpret Bible verses. Everything he says is 100% backed by God's Holy Word. We can see by reading "The Day of the Lord is at Hand" how close we are to the books of Daniel and Revelation (and others) to coming true. Not to give away the book, but he even gives years in which many of these events will take place and they are on the horizon to happen soon! This book takes time to read as you will want to carefully absorb each and every word, but it is well worth your time!

I like this book, although I don't agree with some of what he says. He doesn't believe in the Rapture (not essential, and some outstanding scholars are in this camp), but he claims to have had a vision (and I believe he is telling the truth), which cost him his very livelihood to be honest about. If you are into "the prosperity gospel" this book will offend you. However, if you really want to know the seriousness of the what will occur during the Day of the Lord (the "day" being a length of time--could be the entire 7 year Tribulation period), you should sit down and read this book. I like this book because this man is serious about "fearing" (I really mean "fear", not just reverence here) the Lord. This man takes God seriously, and I greatly respect that. So many who call themselves His own do not "fear" Him. God is not Santa Claus, and He is about to show Himself to the world. Mr. Baruch claims to have had a vision of the end times. His vision of the end times is utterly horrific, so

much so, I found it hard to digest and really frightening (although I believe it is an accurate description). A vision where Christians will stand for their faith and die, or cave in and take the mark of the beast, and suffer eternal damnation. Whether we like it, or believe it, or agree with it -- this is Biblical. This book stresses holiness, repentance and right living before a holy God. Mr. Baruch indicates that God will protect His own through the Tribulation, but that only a small remnant will be left. This, too is Biblical. The premise in this book is: "God will protect that which is His, and destroy everything else". I think that is nearly a direct quote that Mr. Baruch heard from the Lord. This phrase resonates with me because in my own 61 years of life (35 of them as an evangelical), I have seen this demonstrated time and time again firsthand. I am not quite finished with this book but I do recommend it.

This is one of those books you do not want to put down. After reading Mr. Baruch's "Search the Scripture" books, it was apparent to me this man not only knows the Bible and Scriptures but he is very close to GOD. The Day of the Lord is at Hand, has to be one IF not THE most important book for believers to read in these end times. We all feel the "pulling" of the Spirit to come closer but most of us do not understand our role during these times but this book by Benjamin Baruch gives the needed information and lets us know what the Spirit is trying to tell us. We all need to read the teaching of Benjamin Baruch as he is truly a man of GOD. I will be reading this book again and again to capture everything the author says. He gives so much information and proves through the scriptures that he is stating the truth. The book is a must read for all believers giving us time periods and events that will happen which will put believers' minds at ease but will scare the daylights out of non-believers. When all of these things start happening, it will come fast and catch all people off guard except for those believers who have prepared. I am hoping that many will read this book and understand that the time is very short to come to the Lord and give their lives over to HIM realizing that Satan does not care for anyone out there. Satan seeks to spread his lies and deception among GOD's people and anyone that will listen to him. Please read this book and tell everyone about the things taking place today because tomorrow might be too late. Realize too that even on can Satan get his lies told about those books and messages that are truly from GOD. Negative reviews on Benjamin Baruch's books are those from Satan's followers trying to keep GOD's people from reading these GOD inspired books. Reading the reviews, you can determine for yourself if that person has truly read the book or just out to destroy the words and reputation of

GOD's chosen ministers. Benjamin Baruch is a very caring man of GOD and desires not that any man, woman or child be deceived but that everyone listens and follows GOD to everlasting life.

Chapter 1 literally blew my mind!! I had to read over parts of it several times to fully digest it. My hobby over the last 7 years has been studying prophecy so I consider myself fairly well versed in most interpretations. Let me go on record by stating that I believe that Benjamin is truly hearing from the LORD!! I know many people would call me crazy, but the Spirit that God placed inside me was confirming this as Truth. Please read this book and decide for yourself. Pray before you read it, and ask God to confirm whether it is true. I'm going to order a few copies to pass around to friends and family members.
