Sidemen: The Book

Synopsis

Billions of you have watched their videos and millions of you have followed them on social media. So here we go; it's time to back up because YouTube superstars, The Sidemen, are finally here in book form and they're dishing the dirt on each other as well as the YouTube universe. There's nowhere to hide as KSI, Miniminter, Behzinga, Zerkaa, Vikkstar123, Wroetoshaw and Tobjizzle go in hard on their living habits, their football ability, and their dodgy clobber, while also talking Fifa, Vegas and superheroes. They'll also give you their grand house tour, letting you in on a few secrets, before showing you their hall of fame, as well as revealing some of their greatest shames. Along the way you'll learn how seven of the world's biggest YouTube stars started off with nothing more than a computer console, a PC and a bad haircut before joining forces to crush the internet. And they'll tell you just how they did it (because they're nice like that) with their ultimate guide to YouTube while also sharing their memories of recording their favourite videos as well as a typical day in the life of The Sidemen. You'll feel like you're with them every step of the way, smelling the 'sweet' aroma of the boys' favourite dishes in the kitchen, stamping your passport as you follow them on their trips around the world and kicking every ball as the boys gear up for the biggest football match of their lives. It's going to get personal. It's going to get intense, and JJ is going to have lots of tantrums, so take a moment to prepare yourself, because this is The Sidemen book you've been waiting for!

Customer Reviews

It's a brilliant read which is funny and informative all at once. - The Sun

The Sidemen are JJ/KSI, Harry/Wroetoshaw, Simon/Miniminter, Vik/Vikkstar123, Josh/Zerkaa, Ethan/Behzinga and Tobi/Tobjizzle. Together they have a combined total of 33.6 million YouTube subscribers and billions of views for their videos.

The way that the Sidemen wrote this book is exactly like how they collaborate in a Sidemen video, which is really funny, and that's why I'm such a big fan of them. I'm really impressed by the way they present their contents, using the 'Sidemen way'.

I started watching the sidemen on YouTube recently this year and have loved their videos since. I heard that came out with a book about them and how their careers began and what not. I almost didn't get it out of fear that I wouldn't finish the book. I finally went for it and bought it on the kindle version, and finished it within a matter of days. I absolutely loved their book and think they did an amazing job on it. I would definitely recommend this book to a friend.

It was completely entertaining. Loved every minute of it, and the pictures really push it over the top for me.

Bought this book for my 12 year old daughter. So nice to see her read and not have her face in an Ipad all day. She hasn't stopped thanking me for buying her this book.

Love absolutely love this book. So well worth the read. So funny. So happy I'm subscribed to these crazy lot. Love them so much. Haven't been here long but I am so proud of them

Phenomenal book! Read the whole thing in one go. Artsy way to talk about their lives. Hilarious book, must read for anyone.

And it's neat to see what they pick when they're forced to compile the components that THEY think make them who they are.

good I like it!
