Crafting Hypnotic Spells! - Casebook Confessions Of A Rogue Hypnotist

Synopsis

The long awaited book 6, "Crafting hypnotic spells" in the Rogue Hypnotist series is finally here! All great hypnotists need a word-horde, a spell book to aid them in their efforts! After all what are you going to do once your subject/client etc. is hypnotised? I mean at an advanced level! The Rogue Hypnotist's system of hypnosis is taken a step further so that you can learn his method of crafting hypnotic suggestions which he calls "Directly Indirect". Case book transcripts of "factional" hypnotherapy client sessions will show you what the real work in the trenches is like and more! You will learn: 1. How to cure a broken heart, a false teeth phobia, marijuana + smoking addiction, weight loss that works and urinary incontinence! Full copyright free scripts provided! 2. The winner's way to do "erotic hypnosis" and avoid weird potential dangers! 3. The way to market appeals to youth, women and men! 4. The authoritarian hypnotic secrets of Dr. George Estabrooks! 5. The magical yet flexible structure of ANY successful hypnotic session! 6. The power of being able to dissociate and associate clients/subjects at will! 7. Advanced level symbology work with multiple applications: "SSC" "Symbolic Subconscious Communications"! 8. You will easily master advanced level hypnotic utilisation for inductions, therapy and beyond! Exciting never before seen scripts provided! 9. 10 + ways to fend off unwanted persuasion that actually work! 10. Tips on how to start a successful hypnotherapy business on a zero-based budget! 11. Learn how to create "hypnotic robots"! And avoid becoming one!!! 12. Hypnosis in religion exposed! 13. Learn the secrets of hypnotic happiness! Generate it in others! 14. Mastery level sports hypnosis gems! 15. Create powerful "pleasure spells" that will spark "blissnosis" in the miserable and make all women orgasm on command! 16. Learn mastery level hypnotic cold reading skills that tap into peoples most deeply felt needs and drives! 17. The 8 step formula for instant hypnosis! 18. How to create cross cultural rapport at will. 19. Hypnotic time distortion in music + the "Beyond time" script! 20. And a special and revealing surprise!!! Buy today or be left behind by those who have a hypnotist's spell book all their own! Only greater success awaits you! The truth is this stuff is EASY! And learning it is fun and funny in the Rogue Hypnotist's inimitable style!

Customer Reviews

The Rogue Hypnotist is extraordinarily generous in how much important and lesser known elements of hypnosis he shares. I've learned more from just 2 of his books than in my entire training as a hypnotherapist. If hypnosis is your thing, you will devour his books. My only reservation is how predictable the erotic hypnosis stuff was. Not written with women in mind, it's quite nasty at times. It would be great to see someone approach erotic hypnosis with an original sense of feminine sexuality. Not all women enjoy being called sluts, even in deep privacy with a man they trust. It is irritating to see female sexuality once again being degraded. Our Rogue Hypnotist clearly does a lot of research and talks with a lot of people. Perhaps talking with some women who get off on other epithets than 'bitch' or 'slut' may be enlightening for future books. However, still cannot fault his generosity, clear explanations, and script quality.

I bought and read this one in the same day! The Rogue Hypnotist has done it again! Talk about giving us a hypnotic toolbox full of tools (scripts) to handle whatever situations we want to help people with! My mind is blown with the possibilities! I especially love the information on erotic hypnosis. I was planning on buying another kindle book on erotic hypnosis but I dont need it after reading the spells in crafting hypnotic spell casebook! As always RH teaches you how to become a

cross contextual brain change artist! Thanks! I'm a better Padawan now!

For all the hype, it's not that great. A great marketing ploy, sure. Many secrets are revealed. And although the occulted writer is very intelligent, and he reveals secrets, I do not like his personality. So much so that the book is annoying to me to read. I am an INFJ. To be clear, while reading it I couldn't resist the feeling that "for what it's worth, I am smarter than this man, and more lovingly kind, and so I could write a book like this; the format is so simple ". Truly Inspiring book. The text is OVERSIZED, and that is major turn off. Another major turn off is the FONT. Too childish looking. There are great things in this book, don't get me wrong. But I can't tolerate his tenor. And the book doesn't look good on the bookshelf, unless you have all 8 of them. The author (who, for being unknown is not enigmatical), confesses he got a deal with to mass produce these books. Worth buying, but will make an INFJ cringe a bit. Love your neighbors.

I have read all the books in this collection and out of them I have compiled more than 150 pages of notes in MS Word, and that is lot! The reason behind, great information!

There is some good information here, albeit presented in a very opinionated and disorganized way. The author calls his disorganization "stream of consciousness" and says that it helps in some mysterious way. I don't think it does. At the beginning of this book he says that erotic hypnosis, which he sometimes calls "recreational hypnosis" is dangerous. First of all, saying that erotic hypnosis and recreational hypnosis are the same thing sounds very unimaginative to me. Erotic hypnosis is a subset of recreational hypnosis that gets a lot of attention, but there are countless other recreational uses for hypnosis. Anyway, I digress. When you actually get to the section on how erotic hypnosis is dangerous, he devotes a massive amount of space to talking about Kinsey, who never even used hypnosis, let alone erotic hypnosis. With my screen settings, the section on Kinsey takes up seven pages, and its inclusion is never explained or justified. What is he trying to say? I'm not at all sure. Perhaps "sex is evil"? This seems to be one of his beliefs, driven home by his endless repetition of the word "perv" and his frequent claims that he would never do erotic hypnosis except that he had to learn about it to write this part of the book. The erotic hypnosis section has some ideas, which might be good if you're new to erotic hypnosis. There was nothing new to me there, and many of my favorites were left out entirely. The "dangers" of erotic hypnosis which were advertised so prominently end up being only footnotes -- things like don't hypnotize a woman not to blink, or don't give her a trigger that you might accidentally activate at a funeral. Common sense

stuff, really, but I guess not everybody knows that stuff. And yes, he does always assume that you're a man hypnotizing a woman. His view seems to be that dominant women, submissive men, gays, and anyone who doesn't identify with a binary gender is a perv. But like I said, there is some good information here, if you're willing to dig for it.

As I stated in my other review on The Rogue Hypnotist. These series of books are well done. I was hooked from the first book "Hypnotise anyone" after that I purchased the whole book set by the Rogue Hypnotist. Easily applicable.

These are a great series of books; to get the most out of this book, read all 6 books in order. You won't regret it and they make a lot more sense when read in order

This may be the best Rogue Hypnotist work yet! My only mistake was buying it and loading it onto my Laptop at work! I could not set it down! A vast amount of new and exciting material that does not disappoint! This is indeed a Spell book of Hypnotic Goodness!!
