The Successful Single Mom Gets An Education: Get SMART About Getting Smarter

Synopsis

Many single moms find themselves wondering, "Should I go back to school? How much will it cost? How will I pay for it and make the time to do it?" There is a lot of misinformation out there for single moms, and that's why we wrote *The Successful Single Mom Gets an Education*. The successful single mom earns an education, or does something else, that gets her where she needs to go with the least amount of time and money. The fact is that a single mom can know what should be doing, what she would be good at, and what would make her happy before she spends another minute or dime! In *The Successful Single Mom Gets an Education*, we provide the information and tools to save time and money, and help determine where exactly to spend the time and money single mom's have and have access to - so they'll be able to support their kids and desired lifestyles faster, easier, and with less effort.

Customer Reviews

Single mom not by choice but I did make that choice, I never thought of going back to school I was just a stay at home mom, completely lost as what to do now with an infant, but now I'm on the road to a degree thanks to Honoree Corder! Thank you and every single parent mom or dad could look into this!

Good advice and a strong focus on positivity and planning. Easy to get through and makes you think. Lots of resources listed too.
