Norton Anthology Of Literature By Women (Boxed Set, Volumes 1 And 2)

Synopsis

Long the standard teaching anthology, the landmark Norton Anthology of Literature by Women has introduced generations of readers to the rich variety of women's writing in English. Now, the much-anticipated Third Edition responds to the wealth of writing by women across the globe with the inclusion of 61 new authors (219 in all) whose diverse works span six centuries. A more flexible two-volume format and a versatile new companion reader make the Third Edition an even better teaching tool. "As diversity itself has shaped the evolution of feminist criticism, from its early preoccupation with women's shared experiences to its more recent absorption in the complex issues and assumptions informing English-language texts by women writers of diverse geographical, cultural, racial, sexual, religious, and class origins and influences, so diversity has shaped the revisions of this anthology." —From the Preface

Customer Reviews

Sandra M. Gilbert has published numerous volumes of criticism as well as collections of poetry and a memoir. She is coeditor (with Susan Gubar) of The Norton Anthology of Literature by Women and a recipient of the National Book Critics Circle's Ivan Sandrof Lifetime Achievement Award. A Distinguished Professor of English emerita at the University of California, Davis, she lives in Berkeley, California. Susan Gubar received the Natalie Davis Spingarn Writers Award from the National Coalition for Cancer Survivorship and, with Sandra M. Gilbert, was awarded the Ivan

Sandrof Lifetime Achievement Award by the National Book Critics Circle. She is the Distinguished Emeritus Professor of English at Indiana University and lives in Bloomington.

This anthology has been invaluable as a literature major at a small private university. I am happy to say that this is one volume I would not consider selling back at the end of the semester! Wonderful selection of both contemporary and past authors that have written on a variety of topics. I would highly recommend this edition to all! The headnotes on each author are fabulous additions to each text as well that grant the reader historical context for each selection. One thing that sets this anthology apart is the inclusion of authors not traditionally used in canonical works!

I am using this book for class and I do not have a problem with the book just with the description of the product. It is very misleading when it states that it is a boxed set because you only receive volume 1 of the book not both. So just a heads up for anyone who plans on buying this book.

This product is absolutely fantastic. All of the poems and stories were important and classical. My only problem is that they included the entirety of Jane Eyre in one of the volumes, which took up a lot of space and paper. I would have preferred just shorter stories/poems.

Good book for school.

I rented this for a class and only Volume 1 came. I NEED VOLUME 2 as well! I should have read the reviews saying that it wasn't a boxed set. I am VERY disappointed and I am going to demand the other one be shipped to me soon.

Only received book 1 of 2. Book one was also in poor condition when I received it. The back cover was falling off.

Good condition

I read some of the reviews and was anxious to order them, but I am glad I did. They both came in a boxed set as listed in the description. I am very satisfied.
