Seedtime And Harvest

Synopsis

Seedtime and harvest is God's method for bringing forth His Kingdom into our lives. Everything produces after its kind. If you give love, you will reap love. Plant Your Seed! This is something you can do. Jesus said that you are the one planting the seed. God's Word is incorruptible seed, and God's promises are seeds for harvest. In this book you will learn that as you speak God's promises out of your mouth as a seed, it goes into your heart to grow and produce a harvest of blessing.

POWERFUL! Awesome, this author's presentation of seed time & harvest is thought-provoking. He offers sight into self examination with regards to the fruit that one is producing in their life. He also suggests that we prayer & speak in faith & that fear is the opposite to faith, Faith is the substance of things hoped for & fear in contrast includes faith in substance not hoped for. He further suggested that we should align ourselves with the word of God, this book is a must read,
