Rutabaga The Adventure Chef

Synopsis

In a world where there are dragons, wyverns, and haunted squash, you'd figure someone would have recipes for them, right? Rutabaga and his magic cooking pot, Pot, join young adventurers Winnifred, Manny, and Beef on a quest to defeat a dragon, discover new ingredients, find monsters to have for and/or to dinner, and to save the day through cooking. Rutabaga will dare any danger to uncover new tastes, and there's a whole world full of food to try--from roasted mud leech to spider soup to peanut butter on crackers. His heroic recipes combine real ingredients, fantasy ingredients, and real ingredients that sound fantastical. Rutabaga the Adventure Chef is the perfect adventure for any kid grossed out when something weird shows up on the dinner table.

Customer Reviews

This book is so fun. My 6yo has us read it over and over, and we honestly don't mind. It's laugh out loud funny. It gives you a great adventure story without once giving into cliche--always zagging when you think it's going to zig. The drawings are fun. There's nothing traumatic in it (no parent deaths or "oh no, the main character is dead--just kidding!!" moments. It spoke to the D&D gamer in my heart and I buy it for other people all the time.

Full of adventure and humor, this book is sure to appeal to any graphic novel lover, as well as cooking show enthusiasts and fairytale land lovers who love a good adventure, strange beasts, and a king here or there. I thoroughly enjoyed this book and highly recommend it.

I read the webcomic and really enjoyed it and the book is really great too. I like that Rutabaga is a brown guy because he totally reminds me of my half Thai friend who works at and partly owns a restaurant. He really enjoyed the book too

Fantastic compilation of the comics with a rather cool hardcover. Well written and illustrated, this book is certainly has a home on my shelf.

My son loves this fun and funny series. Got book 1 and 2.

Loved by both the kids and adults in the family. Fun book!

Cute and fun -my kids love it!

Son loved!
