Mallory can't wait to play in her town's new girls' basketball league! What could be more fun than trying something new and being on a team? But Mallory's basketball career gets off to a rocky start. None of her friends are on her team. And no matter how much she tries, she can't make a basket. Mallory works as hard as she can to improve. But as her team heads to the playoffs, she still feels like the weakest player. Will she let her teammates down? Or is there more to being part of a team than just winning the game?

Customer Reviews

My daughter loves basketball, and this was a book for her. The plot centers around bullying and ways to handle it. Because so many kids face this, it is important to see that how you handle it makes the difference. The book has a happy ending.

My 2nd gr daughter LOVES this series and whipped through all the books!

Mallory had heard that snort-laugh before. It didn't look like her best friend Mary Ann was at all interested in trying out for the Fern Falls Girls Basketball League, FFGBL. It would interfere with hip-hop and, of course, their favorite TV show, *Fashion Fran*. Chloe Jennifer wasn't at all interested either. Unfortunately, Danielle and Arielle were interested in trying out for a team. It was very unfortunate because they were totally obnoxious. Mallory Louise McDonald could practically see her name up there in lights already. No problem if her friends didn't want to try out with her she thought, because, *she*, Mallory McDonald have some hoops to shoot. Coach Nelson was waiting for everyone and explained how the tryouts would work. It didn't seem all that hard because Mallory had been practicing.

"Girls," Coach began, "You have four chances to show us what you're made of." Everyone was really excited as the tryouts began. Most of the girls were at least sinking two of their shots and Arielle's sister Olivia made all four. It was almost Mallory's turn to try out, but it felt like there was a basketball stuck in [her] throat. This was really going to be stressful, but she could do it. "C'mon, Mallory!" April encouraged her. Two, Mallory only had to sink two of those shots. Swish! Not. Three more chances. Swish! Not. Maybe she could be like most of the others. Swish! Not. Oh, no ... Mallory was going to seriously look foolish. Swish! Not. Mallory had missed all four shots and was going to be nothing but a Fern Falls Elementary fourth grade flop. When the teams were selected Mallory and the obnoxious ones were on the Dream team. "GO DREAM!" This was going to be a big year and she was going to practice. Coach Darren had high hopes that [they'd] be in the league champions, but there was one little problem. No matter how much Mallory practiced she couldn't make a single shot! Would she ruin basketball season for the entire Dream team? Once again, Mallory Louise McDonald has found herself in yet another pickle. This time she's really done it when she creates a total disaster that she just can't seem to fix. Mallory, the sweet, cute girl with red hair and freckles, certainly knows how to get into trouble without trying. If you've read any of her other adventures, you've seen her as she practiced her tuba, but all the practice in the world isn't going to make her into a basketball star. Of course I'm not the intended audience for Mallory's books, but every season I anxiously await the latest and greatest. There's never a dull moment when Mallory is around and this book certainly won't disappoint. Each one of the books can stand alone, but once young readers discover her, they'll be racing back to read the other Mallory books! This book courtesy of the publisher.

I have been reading these books since 4th grade but now I am in sixth grade they are babyish but these are a great series if you don't like reading or big books because these are only 150 pages or lower.
