Customer Reviews

All three characters from the #1 national bestselling If You Give . . . series have brought their books, recipes, songs, and activities to this family treasury, chock-a-block full of fun things to do. Parents, grab your kids! Kids, grab your parents and join Mouse, Moose, and Pig as they read, bake, sing, and play.

Laura Numeroff is the New York Times bestselling author of many books for young readers in addition to the If You Give series, including The Chicken Sisters and Laura Numeroff's 10-Step Guide to Living with Your Monster. She lives in Los Angeles, California, and is involved with several children's charities, including First Book. You can visit her online at www.lauranumeroff.com. Felicia Bond is both writer and illustrator of Tumble Bumble, The Day It Rained Hearts, the Poinsettia books, and many others. She painted the art for

numerous other award-winning books, including those in the much loved If You Give . . . series and the contemporary classic Big Red Barn. She lived for many years in New York and currently lives in Santa Fe, New Mexico.Â Â

Great stories for kids. My daughter loves this collection and always wants to try reading it herself after I am done, which is great for her reading skills. The only problem is if you don't want to read all four stories, because your kid is going to demand them all. They are fun, amusing, and well illustrated. Perfect for bedtime, or anytime really.

Like the other 2 star reviewers for this book our copy has completely fallen apart as well. My daughter loves this book and is so sad that it's completely in pieces. I really loved this book for the songs, recipes and the CD to listen to it in the car but there has got to be a better way to bind it. We have plenty of other books that don't have this problem. If they would fix the binding I'd buy a replacement copy in a heartbeat. Otherwise, I guess I'll just buy each book individually.

Bummer!**UPDATE: 8/26/2011**I ended up buying another copy of this same book because it was so much more to buy each story individually. Thankfully, this copy has lasted us much longer. I have noticed maybe one page is starting to look lose so I may tape it before it falls out completely but this copy seems to be in better shape than our last one. The binding seems to be the same but maybe I just had a dud before or something. I'm glad we decided to get another copy.

It was damaged when we got it, it was missing a page from the mouse and cookies story. I still read it to my Little one, but it would've been nice to get the whole book, but my little one still enjoys it and the other stories that came along with it.

bought this as a baby shower gift for two different people they loved it. I have been a fan of the if you give series ever since I was young especially If You Give a Mouse a Cookie and If You Give a Moose a Muffin. loved the edition of a cd

This is a daily request from my daughters. They never get tired of hearing either of the four stories over and over and over again. And, as the reader of said stories, I'm happy to report that this is a book I don't mind reading on repeat. I chose this book versus buying the books individually because I thought that it would be really fun to so the recipes.. we haven't even tried them yet- they look wonderful and simple enough, but my girls are still toddler age, so they're still at the point of just

enjoying the brightly colored pictures while I read to them. We'll get to the recipes one day soon I'm sure :) I bought this book new so that it would have the audio cd with it... it's not that important though... the girls enjoyed hearing the story read and the other songs on the cd, but they don't request it, so I'm sure they would love this just as much if it was a gently used book (and I would have saved a couple bucks!)

My soon to be 3 year old loves it. He is only infatuated with the 'cookie' story and won't let me read him the other 2. I do think there's too much "extra" stuff included in this, however. It would've been more reader friendly if the extra songs and activities were all located in the back/end of the book rather than immediately after each story. We read mostly at bedtime so having to flip quickly pass those activities interferes with the quiet slow paced mood I'm trying to set for slumber.

This has A LOT of supplemental material and is a big book. It would be great for a teacher. Not ideal for my kids, who were overwhelmed. They prefer smaller books they can carry around. I returned it and bought the three main stories separately.

The book has a variety of Numeriff's stories. The pictures and storylines delight my grandson who is a toddler. The book is a handy grab-and-go treasury for a long drive, extended restaurant visit, and/or visit to the park.
