Founded in 1947, Hal Leonard Corporation has become the world's largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Good choice of songs but I'm dissatisfied with the way this was printed. First, there are no stems/flags to the tablature which makes it incredibly hard to read this is especially challenging given the next issue. Note the before & after pictures of "Under the Sea" where I wrote in the stems and highlighted the melody because I couldn't read it. Second, the songs are overly embellished. The embellishments without the note stems make it hard to pick out for a less advanced player. I'm no beginner but this was over my head. I got this because Disney songs are familiar and I thought it would have simpler melodies that would help build my ear. Instead, the chords are probably true to

the movie (ex: "Be Our Guest" has 23 different chords) but the tricky chords, in addition to the extra notes mentioned above, make this book very difficult to follow.
