Raising Grateful Kids In An Entitled World: How One Family Learned That Saying No Can Lead To Life's Biggest Yes

Synopsis

"But everyone else has it." "If you loved me, you'd get it for me!" When you hear these comments from your kids, it can be tough not to cave. You love your children-don't you want them to be happy and to fit in? Kristen Welch knows firsthand that it's not that easy. In fact, she's found out that when you say yes too often, it's not only hard on your peace of mind and your wallet-it actually puts your kids at long-term risk. In *Raising Grateful Kids in an Entitled World*, Kristen shares the ups and downs in her own family's journey of discovering why it's healthiest not to give one's kids everything. Teaching them the difference between "want" and "need" is the first step in the right direction. With many practical tips and anecdotes, she shares how to say the ultimate yes as a family by bringing up faith-filled kids who will love God, serve others, and grow into hardworking, fulfilled, and successful adults. It's never too late to raise grateful kids. Get ready to cultivate a spirit of genuine appreciation and create a Jesus-centered home in which your kids don't just say-but mean!-"thank you" for everything they have.

Customer Reviews

"Meredith Mitchell's encouraging tone draws listeners into Kristen Welch's message by making the author's perspectives on family life sound more hopeful and empowering than prescriptive."

Rearing children in our contemporary culture is difficult, but rearing grateful children is even harder. In *Raising Grateful Kids in an Entitled World*, Kristen Welch gives solid practical advice. Grateful

children become responsible adults. I highly recommend this book. (Gary Chapman, Ph.D., Author of The Five Love Languages) Parents today fight what seems like a never-ending battle against the current of the culture in raising our children. In *Raising Grateful Kids in an Entitled World*, Kristen not only inspires us to raise our children differently, but she teaches us how to actually live that out in our homes. So very practical and convicting. A must-read! (Ruth Schwenk, Pastor's wife and mama to four, coauthor of *Hoodwinked*, and creator of *TheBetterMom.com*) In this fast-paced, instant gratification culture, Kristen's countercultural message of selflessness and gratitude is much needed! This book left me convicted, challenged, and encouraged, both personally and as a parent. (Crystal Paine, Founder of *MoneySavingMom.com* and New York Times bestselling author of *Say Goodbye to Survival Mode*) I absolutely love this book. Kristen unearths the heart issue of why many children are selfish and unaware of the needs of others. Her words engage, inspire, and instruct parents in raising emotionally strong, healthy children who are grateful in the important moments of life. (Sally Clarkson, Author of *The Lifegiving Home* and *Own Your Life*, and blogger at *SallyClarkson.com*) I can't think of anyone I would trust more than Kristen to teach on this topic. She's made her entire life a testimony to doing this well, and everyone who reads this book will be inspired by her story, her heart, her wisdom, and her love of the Lord. (Angie Smith, Bestselling author of several books and Bible studies including, *Chasing God* and *Seamless*) Kristen's words are so timely, and I am thankful for her hard-fought wisdom. I am all ears whenever Kristen writes because she just gets it, and it was no different with this book. If you're looking for support and practical ideas on how to raise grateful kids in an increasingly entitled world, this book is a must-read. (Sarah Mae, Author of *Longing for Paris*) --This text refers to the Paperback edition.

Fantastic book! I'm a mom to 5 and under and this book gives me practical ways to combat entitlement. Kristen writes as if we're having a conversation over coffee and she's sharing her learned wisdom. I've not once thought she was preachy or pious. She shares with grace and compassion- letting you know that she's just a mom trying to wade through .like everyone else

GREAT ENCOURAGEMENT & VALIDATION FOR PARENTS MAKING THE EFFORT

Well balanced message; kids today need parents who are engaged in their lives and NOT afraid to say "no" for the sake of the child and the family.

This is a fantastic book that is also eye opening. As parents we've never given into our children's every whim, however, entitlement goes so much deeper than I realized and it is a shift in outlook that we needed. Well done Kristen!

Very insightful. Going to re-read this book several times through!

This book is amazing. Each chapter is full of wisdom. I loved everything about it. Wisdom for kids young and old. Saving this book to go back to time and time again.

I can't recommend this book enough & I've already shared several copies! Delves into walking along side our children and equipping us as parents through scripture & excellent examples as we raise kids in this entitlement culture. I'm also using it at school in my teaching. Run - don't walk - to start reading today!

Wonderful book
