# Adventures In Japanese, Volume 2 Textbook, 3rd Edition

## Synopsis

In *Adventures in Japanese, Volume 2* textbook, students expand their horizons by learning to express themselves in a Japanese speaking community. This textbook builds on the lessons learned in *Volume 1*, reviewing and introducing new topics in a similar format, but at this level, without romanization. In *Volume 2*, students learn to distinguish between the formal (polite) and informal (more natural) styles of speaking in Japanese through sample dialogues provided at the beginning of every lesson. Review questions at the end of every other lesson test students on lesson topics and oral proficiency. As well as stressing vocabulary retention through the basic kanji learned in *Volume 1*, *Volume 2* introduces an average of eight new kanji per lesson. The kanji introduced increase in difficulty as the lessons progress. The textbook encourages memorization, as each character is introduced with an explanation in English, followed by an illustration, adding an element of fun. By the end of *Volume 2*, students can recognize and write 121 kanji, and can communicate in Japanese within a variety of contexts, such as ordering food in Japanese at a restaurant, making sukiyaki, and discussing in Japanese the differences and similarities between American and Japanese high schools. What's new in the third edition? The *Adventures in Japanese, Volume 2* third edition textbook is revised and expanded from previous editions. A new introduction explains how the series meets ACTFL National Content Standards and expectations for the AP<sup>\*</sup> Japanese Language and Culture Exam. The textbook also includes expanded cultural notes and a cumulative glossary that contains vocabulary words from *Volumes 1* and *2*. \*AP is a registered trademark of the College Board, which was not involved in the production of, and does not endorse, this product.

## Book Information

Paperback: 548 pages

Publisher: Cheng & Tsui Company; 3rd edition (December 28, 1969)

Language: English

ISBN-10: 088727577X

ISBN-13: 978-0887275777

Product Dimensions: 1.2 x 8.5 x 10.8 inches

Best Sellers Rank: #247,548 in Books (See Top 100 in Books) #10 in [Books > Children's Books > Education & Reference > Foreign Language Learning > Japanese](#)

## Customer Reviews

My son has been taking Japanese in high school and uses this series of books. Last year was his first. Japanese is a very difficult language to learn. There are three different writing styles (alphabets) and obviously the sentence structure is not the same as English. He loved these books, they were fun to use and easy to understand. The diagrams, pictures and flash cards are great learning tools. The learning process is good for all students since you learn aurally, visually and by touch (the cards). I teach ESL and kids with learning problems and this book uses the same processes I use for them. The only problem I've found is I can no longer watch a Japanese movie in peace and I'm forced to buy ramen in bulk.

This is an amazing and extremely helpful book. I've improved a lot on my Japanese quizzes and tests due to this book.

Pleasant and easy shopping experience. Item arrived on time and as described

Met our expectations.
