Chimera #4

Synopsis

When a covert mission goes horribly wrong, a crew of thieves find themselves caught in the middle of a vicious, interstellar holy war. In this issue, Russell strikes a deal, and things go to hell.

Customer Reviews

The story line and art continue to impress me with each new issue! Chimera is easy to read, but there is absolutely no lack of development or complexity among the characters/story. I would absolutely recommend this series to anyone, whether they're just getting into comics or have been reading them for decades.

I can't wait to see how much more this story gets twisted up as the crew and factions unfold more and more.
