Explore With Jacques Cartier (Travel With The Great Explorers)

Synopsis

This fascinating book follows French explorer Jacques Cartier to the New World where he claimed the new territory called Canada for France. Historical information and high-interest fact boxes are presented in a tabloid-news style that guides readers through major voyages, explorations, and discoveries. Topics include what led Cartier to sail west, life on board ship, Cartier's exploration along the St. Lawrence, his interactions with the Iroquois, establishing French settlements in Canada, and Cartier's legacy.

Book Information

Lexile Measure: 950 (What's this?)

Series: Travel With the Great Explorers

Paperback: 32 pages

Publisher: Crabtree Pub Co (September 19, 2014)

Product Dimensions: 0.2 x 8.5 x 10.5 inches

Shipping Weight: 5.6 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #560,684 in Books (See Top 100 in Books) #40 in [Books > Children's Books > Education & Reference > History > Canada](#) #235 in [Books > Children's Books > Education & Reference > History > Exploration & Discovery](#) #878 in [Books > Children's Books > Biographies > Historical](#)

Age Range: 8 - 11 years

Grade Level: 3 - 6

Customer Reviews

Gr 2-4-This flawed, poorly designed series introduces the earliest world explorers and their varied destinations. Their stories are told through sound bites of narrative and interspersed frantically with pullouts. Some pages are composed entirely of sidebars. These books may be designed for readers influenced by social media, but they neglect narrative entirely, and kids will struggle to find a central textual thread amid the blasts of information competing for their attention. The series does a disservice to the historical images by including tiny versions, clustered too closely together, and there's often a disconnect between text and images. The authors don't always let readers come to

their own conclusions. For example, Ferdinand Magellan is labeled as "pig headed" without any explanatory anecdotes or examples. Give these titles a pass.Â Â (c) Copyright 2014. Library Journals LLC, a wholly owned subsidiary of Media Source, Inc. No redistribution permitted.

LOTS of information about the explorer in this book! Great for adding fast facts in your lessons, if you are a teacher!
