Storm Warning (The Mage Storms)

Synopsis

With her phenomenal Mage Winds trilogy, bestselling author Mercedes Lackey captivated fans across the country. Now in the first volume of the series' sequel, she continues the same storyline, returning listeners to a war-torn Valdemar in preparation to confront an ancient Eastern Empire ruled by a monarch whose magical tactics may be beyond any sorcery known to the western kingdoms.

In the face of a growing threat from the mysterious and powerful Eastern Empire, the lands of Valdemar and Karse attempt to form an alliance despite old prejudices and misunderstandings. Readers familiar with the author's previous Valdemar series ("The Mage Winds," "The Heralds of Valdemar," etc.) will enjoy the return of favorite characters, while a vivid assortment of new protagonists continues to expand the wealth of cultures present in one of fantasy's most intriguing universes. Lackey's talent for evoking the youthful passions of her heroes and heroines brings life to this creation. Recommended. Just reread the Queens Arrows and the Mage Winds series before starting the Mage Storms. It's been many years since I read the series but I absolutely enjoyed them (and this one) just as much as I did in my teens/early 20's when they first came out. I would recommend them to anyone who loves fantasy. And Lackey was one of the first to write a series of successful series that incorporated gay/lesbian characters in a manner which was not a dark/evil/wrong thing. Indeed, Lackey's Herald-Mage trilogy's main character is gay. These are great stories and I would recommend them to anyone:).

I love the author and I am transported to another world whenever I read her books. I have liked everything of hers that I have read. This book is only a part of many tales of Valdemar and its world. Good characters, good plots, great magical world.

I love the entire Valdemar series. This is the first of the MAGE STORM series which continues the tying together of the VOWS & Honors series and the MAGE WARS SERIES. THE ENTIRE SERIES IS AMAZING!

LOVE Mercedes Lackey

been reading her books for years and enjoy the story line

gift that is really loved

I adore the tales of Valdemar by Mercedes Lackey with such characters as Vanyel and Skif Talks And so many more. Although it seems a bit slow this story is another example of an excellent author with her ability to create a fascinating story around the character building and set ups for the next two books... I would easily recommend any of the Valdemar series to anyone.

Mercedes Lackey does it again! If you know her, you know Valdemar. Finally, we get a thorough understanding of its forever enemy, Karse. Through the eyes of a very young, and another very experienced Karsite priest, we see Karse as the new Son of the Sun is returning it to the old, more kind and lenient doctrine. The Karsite God stepped in and made his wishes known! Meanwhile, young Karal struggles to accept so many changes in his world, while feeling like an exile.
