Lovely illustrations....was not, however, impressed with the story as written in this book.....After seeing movie.....my granddaughter & I expected more of a story.....very few actual "words" in this oversized hard-cover book

Beautiful illustrations with a sentence or not sentence per page. Where is the story???

My 4.5yo daughter loves all things Moana but this book was a huge disappointment. Yes the illustrations are beautiful but there is no story, no connection to the film or any other characters or events. There are three or four words every othdr page and It just didnt make a good read with a toddler.

Short on copy, but beautiful illustrations. Reason enough to buy the book for a 5 year old

granddaughter.

Absolutely stunning. I hope to see more work by Annette Marnat in English.

Not really a story book- don't buy it with that in mind. There are a few sentences, but the way they go hand in hand with the pictures is dynamic and touching! Great for stirring up the spirit and starting conversations about what might inspire young minds!

Such a sweet book with beautiful art. Perfect for any lover of Moana the movie.

Awesome book, my students absolutely loved this book
