W32TB - Foundations For Superior Performance: Warm-ups And Technique For Band : Trombone

Synopsis

Performance level of the ensemble. From as little as five minutes a day to forty-five minutes a day, this book offers the flexibility and options to fit any particular band situation for year two throughout high school. It also provides the director with the resources to meet each student on his or her own level while challenging them to reach the next level. Foundations For Superior Performance includes: Warm-Ups articulation exercises, long tones, and progressive brass lip slurs and woodwind exercises to be played simultaneously. Chorales and Tuning Exercises interval tuning, chord tuning, and chorales in the eight main concert band keys. Technique major and minor scales, mini-scales, scale patterns, scales in thirds, interval studies, and triad and chord studies in all 12 keys. Plus one octave scales and arpeggios, full range scales, chromatic scales, major arpeggios and inversions, and advanced fingering charts. Percussion Book Practical exercises for mallets, snare drum, auxiliary percussion, and timpani. 96 pages. By using Foundations For Superior Performance, the following areas can be improved: Sound (tone production). Articulation (styles and concepts). Greater flexibility, agility, and endurance. Increased range. Individual and ensemble listening skills. Technique in all twelve major and minor keys. Basic understanding of music theory.

good price

Really solid book! My son uses this book a lot and it has all the scales you need for learning any trombone type instrument.

It was great and it came on time just like they said it would will order again!!!!!!

This was the perfect book for more advanced player

This book is hard.

Exactly what I expected.

We bought it for my son and received third day. The content is very good and had simple demonstration. SO far no complain!

This was for my son in High School Freshman trombone band. He states that it was easy to follow along with and that it was a like not love product full of mainly just scales.
