Jerusalem: One City, Three Faiths

Synopsis

"SPLENDID . . . Eminently sane and patient . . . Essential reading for Jews, Christians, and Muslims alike."--The Washington Post
Venerated for millennia by three faiths, torn by irreconcilable conflict, conquered, rebuilt, and mourned for again and again, Jerusalem is a sacred city whose very sacredness has engendered terrible tragedy. In this fascinating volume, Karen Armstrong, author of the highly praised *A History of God*, traces the history of how Jews, Christians, and Muslims have all laid claim to Jerusalem as their holy place, and how three radically different concepts of holiness have shaped and scarred the city for thousands of years. Armstrong unfolds a complex story of spiritual upheaval and political transformation--from King David's capital to an administrative outpost of the Roman Empire, from the cosmopolitan city sanctified by Christ to the spiritual center conquered and glorified by Muslims, from the gleaming prize of European Crusaders to the bullet-ridden symbol of the present-day Arab-Israeli conflict. Written with grace and clarity, the product of years of meticulous research, *Jerusalem* combines the pageant of history with the profundity of searching spiritual analysis. Like Karen Armstrong's *A History of God*, *Jerusalem* is a book for the ages.

"THE BEST SERIOUS, ACCESSIBLE HISTORY OF THE MOST SPIRITUALLY IMPORTANT CITY IN THE WORLD."--The Baltimore Sun

"A WORK OF IMPRESSIVE SWEEP AND GRANDEUR."--Los Angeles Times Book Review

Customer Reviews

The city of Jerusalem stands as a religious crossroads unlike any place in history. As such, it possesses a volatile chemistry that--as we are made painfully through news reports and

television--explodes on a regular basis. Karen Armstrong, a former Roman Catholic nun who teaches Judaism and is an honorary member of the Association of Muslim Social Services, has compiled a thorough narrative of the city's fascinating 3,000-year history. Though she emphasizes the city's religious turning points, she recounts battles, earthquakes and various other events, such as invasions by the Romans and the Crusaders, just a millennium apart, that nearly wiped out the city. Her comprehensive explanations provide a context to the current strife in Israel. --This text refers to an out of print or unavailable edition of this title.

British religious scholar Armstrong (A History of God) has written a provocative, splendid historical portrait of Jerusalem that will reward those seeking to fathom a strife-torn city. Her overarching theme, that Jerusalem has been central to the experience and "sacred geography" of Jews, Muslims and Christians and thus has led to deadly struggles for dominance, is a familiar one, yet she brings to her sweeping, profusely illustrated narrative a grasp of sociopolitical conditions seldom found in other books. Armstrong spares none of the three monotheisms in her critique of intolerant policies as she ponders the supreme irony that the Holy City, revered by the faithful as symbol and site of harmony and integration, has been a contentious place where the faiths have fought constantly, not only with one another but within themselves, in bitter factions. Her condemnation of Israel's 1967 annexation of the Old City and East Jerusalem in the Six-Day War ("It was impossible for Israelis to see the matter objectively, since at the [Western Wall] they had encountered the Jewish soul"), however, pushes too far her theme of sacred geography as the physical embodiment of motivating myths and legends.-- they had encountered the Jewish soul"), however, pushes too far her theme of sacred geography as the physical embodiment of motivating myths and legends. As usual, a very well written book by Ms. Armstrong. She don't lnes to be in my opinion the leading most Balanced western writer on Islam. I am a great fan of hers.

I've read a few books in the area of Biblical Studies now and I've always enjoyed Karen Armstrong's work. She's always clear, concise and easy for the "layperson" to understand. Very useful when teaching.

Great history lesson.

Well written history of Jerusalem. This author writes in a style that makes a complicated history more easily understood than other books I have read on this subject.

Haven't quite finished the book but so far I am enjoying it and have learned a lot. Don't hesitate to get any book of Karen Armstrong. She is fair and balanced and very knowledgeable.

A must read for any and all interests. It starts from day 1 through the 20th century. Very clearly depicts the various culture conflicts from origin to today. Extremely insightful, graphically written.

Great book

Excellent history although I have not completed
