The Garden of Peace for Women by Rabbi Shalom Arush shlita, author of the books The Garden of Emuna, The Garden of Peace, In Forest Fields - The Garden of Prayer, etc

Not only for married women, but ALL women. God has designed us in a very special and unique way. To learn His purposes for us and then to begin to live in that light, life and marriage just seem to fall into place. My husband had gotten the Garden of Peace, and I wanted to find something for myself. I am very pleased

This book helps one understand their spiritual need of being a woman. In our society today many are confused about what the creator wants as our role. Most are influenced by society and the media and take on the role of the opposite sex. This clarifies Biblically what a woman is.

Very weird book, for me.

Every women should read this before marriage as a teenager and continue to read in even after marriage.

Words from the heart from a man who obviously has done a lot of counseling. I may not agree with

every word but this book is already impacting my life for the better.

Excellent book. Written with Jewish Faith teachings but does not deter reading for any faith.

This book is changing my life, and it was nice to bless the seller.

BEST MARRIAGE BOOK EVER! EVEN IF YOU TAKE OUT THE RELIGION! BEST ADVISE EVER!!!!
