Making tags is one of the things I love to do, and is a truly easy way to use up those scraps of paper that accumulate when you are making cards. I have a folder overfull of scrap papers, and this book shows you new ideas for working with tags and how to use up those little 'tidbits' of paper, ephemera, or paper. Anyone who does crafting should learn to do tags, they make great bookmarks to tuck into books you give people, and are a special handmade item friends will appreciate.

I have been searching for this book for sometime and I am glad I finally found it via . This is a book I can constantly refer back to with ideas for tags and trading cards. Thankyou Amazaon.
