Yukon: Sled Dog

Synopsis

Sled dogs must love to run. Sled dogs must be strong. Sled dogs must obey commands. Sled dogs must get along with teammates. Puppy Yukon is the only girl in her litter, and she's got high energy. Could she be a leader in the sled dog team? Trainer Roberta works with the puppies. Yukon is faster and smarter than her brothers. Roberta thinks Yukon can help lead the team! Yukon continues to train with her team for two long years. Is she finally ready to race? Mush! Mush! --This text refers to the Hardcover edition.

Good information for kids, good illustrations

The story was good, but the book does not fit well on the ipad. It is not fun to read when you have to tap to enlarge text. The pictures are small and hard to see w

The librarian at my daughter's school read this to her class and my daughter asked if we could get it for our home. She especially liked the pages where the younger dogs bump into the older dogs and , of course, when they finish the race. Cute illustrations. The only disappointment is we have a cat who most likely will not be willing to pull a sled!

Great book for children. My 8 year old granddaughter loved it. Since the story is based on facts, it's a great introduction to dog sled racing for young readers. The illustrations are well done, children are drawn to the main character.

Great story for training little leaders and teaching responsibility for kids. Life application story and a good one. My boys loved it! Recommended for certain. Also shows that girls can be talented in the same things as boys and that's a good thing for boys to learn.
