Welsh Quilts

Synopsis

This new, expanded edition of *Welsh Quilts* is an authoritative guide to the history and art of the quilt in Wales, which has a strong and enduring connection to the Amish quilting tradition in the United States. Expert author Jen Jones has added many new, high quality colour images – some never seen before – and eight pages of diagrams of the intricate stitching patterns traditionally used in Wales. A Textile legend Kaffe Fassett has written a Foreword to the book.

Jen Jones does it again! She gives quilters another wonderful book sharing her knowledge and collections of this unique niche in quilt art--*Welsh Quilts*.

Lots of history and eyecandy. Perfect examples of Welsh quilts. Jen Jones is the authority on Welsh

quilts and is kind to share her expertise with us all.

At first glance I was disappointed as the book seemed more pamphlet size than book size, especially as it was more expensive than other used books. However, I love the pictures and the history behind the Welsh quilts. It was worth getting.

So few things are written on Welsh quilting - another form of wholecloth quilting. Jen Jones is the authority of this art.
