Young adult kids loved this for Christmas. Take out your frustrations and stress during the holidays with this hysterical coloring book.

Best coloring book EVER. Something the whole family can enjoy.

Bought for coworker - well liked

I bought this for a friend of mine who is a habitual curser for Christmas. That and I couldn't justify buying myself another coloring book... I like it, though the quality reminds me of some childrens coloring books, the words and accompanying pictures are hilarious.

Great present for certain friends!! They loved it and laughed their a\$\$es off!!! Not for the more reserved friends! I would definitely buy more!

Hilarious. It was the secondary gift for my secret santa co-worker who loves swear words and is feeling grinchy this holiday season. We laughed so hard at some of these!

I bought 5 of these adult coloring books for my girlfriends, (we are the bitches) and they all loved the books. Wanted to know where I bought them.thanks

I love this coloring book! I have one that is just the bas words in a cool design but this one puts a holiday spirit into angry coloring!
