Customer Reviews

WOW!"HPV Treatment" was such a great book!It thoroughly discussed everything you need to

know to understand the basics and fundamentals of curing genital warts. If you want to know how to cure any genital warts you may have, you NEED this book. It will make things so much easier and faster for you. Highly recommended!

I have heard of HPV before and I knew it was something that you could get your daughters vaccinated for but before reading this book, I honestly thought it was a virus. This book was very informative about the condition, medications that doctors may prescribe and at home remedies that some people try. Glad to know that I now have the correct information

i JUST START READ MORE PROCESSOR SLOW DOWN AND AS I NEED MORE READ OFTEN.
I TRY BEST IT

The book talked more about warts instead of the virus hpv. I was not interested in warts however I understand that hpv causes warts, however I needed more information on the process and remedies.
