"Fodor's can help you plan the perfect adventure" – The Arizona Republic
"Always thoughtfully written and easily readable,

Fodor's travel guides have become a must-have when traveling to unfamiliar destinations"

—Mid South Magazine "Widely recognized as the gold standard of mainstream travel"

—Honolulu Advertiser

Each Fodor's Travel Guide is researched and written by resident experts.

I am completing a trip to Vancouver Island and found this book I had purchased helpful for Victoria and Tofino but the other places I needed information about were not included in the book! Nanaimo, a sizeable city, Parkeville, Qualicum, Port Alberni were some I had tried to look up and was astounded they were not there. I felt cheated. I believe the authors might want to rename the "Vancouver Island" part to "A Few Places On Vancouver Island." If you are planning to explore Vancouver Island and need a guidebook, this is remiss.

"Vancouver & Victoria In Full Color" is Fodor's guide to Vancouver, Canada's big, cosmopolitan city on the Pacific Coast; along with Victoria, capital of the Canadian province of British Columbia; the outlying mountain resort community of Whistler; and the wine-growing region of the Okanagan Valley. Fodor's "In Full Color" guides feature lots of color photography and numerous maps and street graphics. This guide offers articles on the background, flavor, and attractions of Vancouver and Victoria, along with lots of practical information on what to see, and where to eat and stay. Other chapters cover side trips such as Whistler and the Okanagan Valley. The information for attractions, accommodations, and eats usually include website for further exploration. As always, this Fodor's guide included useful information on how to get to and around Vancouver. "Fodor's Vancouver & Victoria, 2nd Edition" is one-stop shopping for planning a vacation to the area, and is highly recommended to would-be travelers to an exciting part of Canada.

The title is misleading. Vancouver coverage is very good. But in Vancouver Island it has nothing beyond Victoria, nothing. Whereas there's plenty to find out further north on the island.

Helpful, made the trip preparations easier 'cause I knew what to expect. Since I had never been to B.C. it was nice to have some advance information.

Great details about the area and it's activities. Format is clear and easy to understand. Pictures and maps make it easy to figure out the area.
