Customer Reviews

This is a great Harry Potter quiz book. It's the first one I've ordered after reading many reviews. Some of the questions are super hard and some of them are easy. We had fun passing it around and using it like a trivia game.

If you ever wanted to test your Harry Potter knowledge, this is the book in which to do so! While level one and two were fairly standard and quite easy to answer without having to resort to looking it up; the 3rd level definitely tested my knowledge. Obviously it's impossible to remember every single detail JK Rowling has ever written or said about her beloved wizarding world, but I think only she can answer every question here correctly. Still, this is a great quiz book. It was definitely one of the hardest ones I ever had to take. It not only asks questions from the main books itself, but also the school books and Tales of Beedle the Bard...Also, things she had released on Pottermore. So be prepared to really test just how much you know and remember about Harry Potter. Get this book.

Charged me \$7.99 for a book worth \$1, thin book, couple of pages, my daughter finished it in 20

minutes. Rip off.

My little Harry Potter fan loves this!!! It is fun to play along with her, also. (As a fellow HP fan!) Very good questions.

I am a HUGE Harry Potter fan, and now I can quiz my friend, who is a BIGGER fan!

great

Excellent book! Came in perfect condition and super fast. Lots of interesting facts and questions about Harry Potter. It's hard stuff too. Perfect for the die-hard fan, maybe not so much for a beginner :)

Even stuff a hard-core Harry Potter junkie can get stumped on.
