For thousands of readers, the best-selling Left Behind series coauthored by Dr. Tim LaHaye has painted a vivid scenario of events preceding the return of Jesus Christ. Combining page-turning drama, gripping, human perspectives, and a keen knowledge of the Bible, Dr. LaHaye has depicted with graphic immediacy the time to end all times. Revelation Unveiled lays the Scriptural foundation for Left Behind and Tribulation Force. Filled with references to the novels, this commentary helps

readers get an in-depth grasp of the book of Revelation from a premillennial view. Stamped by Dr. LaHaye's trademark gift for making complex topics plain, Revelation Unveiled explains such critical topics as the Rapture of the church, the breaking of the seven seals and the blowing of the seven trumpets, the seven bowls of wrath and the destruction of Babylon in the Great Tribulation, the return of Christ and the final battle against Satan and his hosts, the Millennial reign, the Great White Throne Judgment, and the establishment of a new heavens and a new earth. The first edition of Revelation Unveiled, titled Revelation Illustrated and Made Plain, sold over 250,000 copies. This new, revised and expanded edition includes 50 black-and-white illustrations, redrawn to add visual clarity and emphasis to LaHaye's engaging, easy-to-understand style. With simple and accessible language, Revelation Unveiled will help readers better understand this mysterious final book of the Bible, and its implications for the times we live in. --This text refers to the Paperback edition.

If you're looking for an explanation of the book of Revelation written so that Christians without a degree in theology can understand it, this is the book for you. Written from a Dispensationalist, Pre-Tribulation Pre-Millennial platform, it's "Left Behind" without the fictional dramatics. In my view, one cannot understand the Revelation without a careful examination of, and comparison with, Old Testament prophecies by Daniel, Isaiah, Ezekiel, Zechariah and Malachi et al, plus Jesus' own words in Matthew and Luke, known as "The Olivet Discourse." LaHaye quotes from many other respected interpreters. He expresses what I consider to be the majority position among Christians who believe the Bible is the inerrant Word of God

I have read through this book twice. The second time I would read the verse from the Bible then read the chapter in Revelations Unveiled to get a better understanding.

Chronological breakdown of how the end of the world as we know it is going to occur according to biblical truths. Concise, informative, thought provoking. It's a revelation of a book often thought to be confusing. Don't have to have a religious back ground to understand it.

The best Revelation study book, period. I have used this source to lead a small group study a number of times. I learn new information each time I use it.

I enjoyed the book except for one thing. They didn't use the King James Bible for most of the Biblical quotes. Other than that I enjoyed the book immensely.
