Customer Reviews

"A valuable edition for prowling Indiana and finding its treasures."--David Mannweiler, Travel Editor, Indianapolis Star
"Day Trips from Indianapolis is a well-researched book that doesn't just tell you where to go and how to get there, but why you'd want to go in the first place. . . . Great for anyone with a day to spare here and there."--Donna Mullinix, Editor-in-Chief, WHERE Indianapolis and Indianapolis Woman

Enjoy a welcome change of pace and discover a world you may not know exists in your own backyard. Day Trips describes hundreds of fascinating and exciting things to do, many free of charge and most within a two-hour drive of Indianapolis. Travel back in time aboard the old trains of the Indiana Railway Museum in French Lick. Wander the beautiful grounds and view Ben Hur memorabilia at the General Lew Wallace Study and Museum in Crawfordsville. Enjoy a simulated moon walk at Science Central in Fort Wayne. Take in a show under the Big Top or peruse the museum of the International Circus Hall of Fame in Peru. Explore the gorges, cliffs, river views, and nineteenth-century architecture of the Hanover College campus in Hanover. Each day trip includes travel directions, destination highlights, other places to visit along the way, choice restaurants and

lodging (including price ranges), and shopping.

The version I had of this book had a notice to contact the publisher/author if you wanted to be included in future editions, which only confirmed what I suspected: people paid to be included in this book. The very latest edition does not contain this notice, that I could see, so perhaps it is improved, but the edition I had was oddly random because of this. I threw it away.
