Harry Potter: The Wand Collection

Synopsis

Discover the wands of your favorite Harry Potter characters. In the Harry Potter films, each wand is as unique as the witch or wizard who wields it. Whether talon-shaped like Bellatrix Lestrange's or simple and elegant like Hermione Granger's, each wand was designed and crafted by the filmmakers to be a reflection of its owner's identity. *Harry Potter: The Wand Collection* is an in-depth visual guide to the many magical characters and wands of the Harry Potter films. Detailed profiles of each wand feature stunning new photography, wand statistics, insights from cast and crew, and other filmmaking secrets from the Warner Bros. archive. This collectible volume is an ideal resource both for wand-wielding fans looking to learn the history behind these beloved items and for a new generation of children eager to start their journey into the wizarding world.
