My daughter was having troubles with her drawing and so I bought this book for her . She's 10 and not much into princess so this worked out perfect , they had a mixture of all kinds of creatures and

people with clear to follow instructions . She's a lot happier with her drawings now and it's helped her a lot .

Bought for daughters birthday. She loves it and tries different pictures everyday. A little advanced for beginners, but a very good book. Shows steps of drawing the individual characters and gives suggestions for different things.

Great book and not just for kids. For a total beginner, this book is excellent.

Ordered for my 11 year old daughter. She is obsessed with manga. This book is GREAT quality and very well done. It has a wide variety of animations to draw and is easy to follow. I will buy again from this author.

This book combines Mr. Hart's Kids draw Manga, Manga Monsters, Manga Shojo and Manga Fantasy all into one book. With easy to follow steps, cute monsters and fun characters you can't go wrong. Great book for the beginner artist as well as another that's been drawing for years. As a cartoonist in training, I find this book helpful in my cartoon art.

I now own 3 of this same book! My students absolutely love this book so I bought more!

Beautiful book and lots of fun!

Great Book! It includes all Manga Characters from people, monsters & cute & cuddly creatures. All in color and easy directions. Can't wait to give to my son for Christmas! I know he's going to love it.
