Mere Christianity Study Guide: A Bible Study On The C.S. Lewis Book Mere Christianity

Synopsis

Mere Christianity Study Guide takes participants through a Bible study of C.S. Lewis's classic, Mere Christianity. This weekly format Bible study workbook is the only study that digs deep into each chapter and in turn into Lewis's thoughts. Mere Christianity Study Guide is perfect for small group sessions or independent study. The interactive Bible study workbook includes five daily studies for each of the 12 weeks as well as a complete appendix and commentary to go deeper. For small-group flexibility, multiple week format options are also included. The Mere Christianity Study Guide features: 12 Week Bible study with multiple week options included Interactive Bible study workbook with five daily studies per week Complete appendix for commentary to go deeper Bible study questions are ideal for group discussion Answers to all Bible study questions are available for free online Ideal for small groups or individual Bible study Endorsement I recommend the book for all who take their faith seriously and want to grow to be all they can be in Christ. Jerry Root PhD, Editor of The Quotable C.S. Lewis Consulting Editor of The C.S. Lewis Study Bible Mere Christianity Study Guide Categories: - Bible Study Workbook - Bible Study Lessons - Bible Study Course - CS Lewis Books - Apologetics

Customer Reviews

Steven Urban holds a Psychobiology degree from the University of California and received his medical doctorate at New York Medical College. He completed his residency training at Johns Hopkins and was awarded an NIH Fellowship in Stroke Research at the University of Maryland. His knowledge of scientific inquiries and personal experience led him on a quest of studying world

religions and theology including spending time in a Tibetan monastery in Nepal. Eventually Steve was introduced to the writings of C.S. Lewis that led to Steve's realization that Christ was who He claimed to be and his life was changed forever. Today he is a double-board certified Physiatric Interventional Pain Specialist and lives with his wife and son near Nashville, Tennessee.

While I say teens I want to stress the point that I firmly believe teens are more capable of handling difficult material than most. This study is not easy. You will not breeze through it. You will think and use your mind and it will be wonderful. This is a study meant for adults that I took teens through. This is a really great guide through C.S. Lewis' book Mere Christianity. A perfect match for teens wanting to go through the book and needing some touch points to help with the older language and writing style of Lewis. The questions are real and applicable, not the boring and often over done emotions based questions.

We are using this guide in our weekly Bible study. The questions are excellent at highlighting the salient topics in each chapter and form a great springboard for discussion.

Very helpful. Use it every week for my small group study.

This is a clear and logical study guide to Lewis' Mere Christianity.

He's just the best- love his perspective.

I had to return but good study guide!

Anyone wanting to understand Mere Christianity would truly enjoy this study guide. It opened up a brighter view point.

Thoughtful and thought provoking. The author does a great job of referencing Mere Christianity as a text, so it really doesn't matter which publication of the Mere Christianity you use.
