Really good book ÂfÂ Â Â,Â ÆÂ Â ÂfÂ Â Â,Â ÆÂ Â My daughter really loved this book,

although she is turning 11 tomorrow and it was easy for her. But overall good book

I enjoyed this quick read, and would recommend it to any girl or woman that has ever struggled with not feeling good enough or pretty enough being themselves. The story, illustrations, and book concept work well together to convey a message many women don't accept about themselves.

Gift for a niece. She loved it.

The drawings were not that artistic but the story really spoke to me, the story told me even though you think you're not pretty you find out beauty is in everything not just you.

It was short but I liked it. The pictures looked kinda real. But cute. I liked the very last page when her friend said that she was cute.

It gives you so much to discover. What is beauty? What is confidence? It really helps any girl/young woman with self esteem issues discover how they should view themselves. It's a good read and I highly recommend it.

A great book to read to your friends struggling with self esteem issues. A nice comic book for all ages

My daughter was very happy with this book!
