Color Cute Coloring Book: Perfectly Portable Pages (On-the-Go Coloring Book)

Synopsis

Take this perfectly portable little adult coloring book along wherever you go, and you'll always be ready to color whenever inspiration strikes! Inside you'll find dozens of adorable owls, mandalas, flowers, rainbows, hearts, and so much more. Each charming design is just waiting to be filled with your favorite watercolors, colored pencils, markers, crayons, gel pens, or crayons. Color Cute Coloring Book includes helpful advice on choosing colors, with suggested color palettes and fully colored examples to inspire your imagination. With a lay-flat, top-edge binding, this book is small enough to color anywhere, but big enough for creative fun. Printed on one side only of archival-grade, acid-free, 200-year paper, each perforated page detaches easily for gifting or display.

Just the right size for a take-a-long!

Very cute little images. Fits in my purse with a small pack of gel pens. My doctor made fun of me for coloring in his office. Some of the details are very tiny, I will need a very sharp pencil or tiny micron pen to color those.

This was purchased as a gift for someone who is now addicted to coloring with gel pens in these type of coloring books; the size of this book makes it easy to take along in her bag with her pens wherever she goes.

Got this for a friend's 5th grade daughter, with some gel pens. She loved it! It's not very big, which makes it convenient to travel with and also has these inspirational words behind each page, with a few lines underneath to write something.

Cute and small, just what I wanted. It's perfect to take to work in my purse.

This is another nice coloring book. Great diversity and range of images. Perforated pages make coloring easier. A book worth coloring. I recommend using colored pencils.

Loved the pictures, they are just my style, however the book is only half-size which makes them too small for me. I plan to go to the copy shop and get some of my favorites enlarged and printed.

This is a cute little coloring book with simplistic drawings. I wanted a small book to carry along and when I don't want to carry bulky books. So far I've just used gel pens and they work fine.
