Gosho Aoyama, made his debut in 1992 with Chotto Matte (Wait a minute) which won Shogakukan's prestigious Shinjin Comic Taisho (Newcomer's Award for Comics) and launched his career as a critically acclaimed, top-selling manga artist. In addition to Detective Conan, which won the Shogakukan Award for best Manga in 2001, Aoyama created the popular manga, Yaiba, which won Shogakukan's Award for Manga in 1992

Glad this series is finally on Kindle. I'm a huge fan of case closed. I was really sad when this series stop being dubbed. But I could continue reading it at least and hopefully one day they'll pick it up again. If you like Mysteries definitely pick this up.

I LOVED IT I WILL BUY AGAIN IT WAS VERY GOOD CONDITION...I was a little worried since this

is my first purchase but I know I can't worry with this seller....GREAT WORK PLUS ITS IN GOOD CONDITION

My kids loved this manga

This is the second appearance of Kaitou Kid (known as Phantom Thief Kid in the English version), and this case takes on a darker tone. Serena is invited to a gathering of an online magic group, which takes place high in a snow covered mountain. She brings Rachel along with her as she sets out to meet her 'dream' man for the first time, but trouble soon follows as the group gets snowed in with a murder bent on revenge. This case not only has many of the great moments that make up a good Case Closed file (interesting characters, unique methods of murder and discovery), but it also takes a deeper look into the man behind the mask of Kaitou Kid, and his relationship with Conan. In addition, you get the added bonus of the second case, with another great returning character, Yoko Okino. (Funimation has not yet dubbed these cases)

In this book, Rachel and Sabrina go to a magic lover's retreat in the mountains. It's all fun and games until the only bridge to the cabin is burned and a dead body shows up. Thankfully, Conan, along with another mysterious guest, is there to help solve this case. This book also contains a story in which it looks like a suicide but Conan suspects foul play. Conan has to try to find proof that this woman was indeed murdered. Overall a fun read that I recommend to any Case Closed/Detective Conan fans.

Perfect condition. Honestly it's a blast from the past. It made me feel like a teen again seeing the manga book for the first time.

Amazing

I miss this show so much! I remember when I would stay up late at night just so I could watch it when it first came on. I wish I could find all of the episodes so that I could enjoy it as much more than just a manga.
