When your emotions, or life are out-of-control and you can't think of anything Biblical, this is a great resource. Say somebody at church makes you so angry, or hurt that you are just emotionally swamped. You can look for things like "anger", "forgiveness", or "prayer" and get a short verse or two to hang onto until you calm down. When I'm not all upset, I find browsing the table of contents a good way to study something I've not looked into before. This book has been very helpful for me and many of my friends.

This is one of my favorite books when I want to find scriptures according to subject matter. I always keep one in my car so I can use my time effectively when I am stuck in traffic, it is a great way to get your focus off your frustration on to what really matters. I also try keep one handy to give away, if I meet someone needing encouragement. Many homeless people don't have a Bible, so this is lightweight for them to carry and I keep them enclosed in an individually sealed ziploc bag, so if they get rained on the book doesn't get damaged. I can't tell you the appreciation I've been shown from those wanting one. It is a great way to witness and lead people to Christ or repent and rededicate their life!

This Bible promise book is a good tool to quickly find scripture to help in times of need. We all get attacked by the enemy of our soul, let this be a source of strength to fight back. This promise book uses scripture from the King James Bible. I have given many of these away to people in jail for a helpful tool with great success. Anyone new to the Bible can benefit by this book. It gives you headings for many different troubles or needs, then a group of scriptures pertaining to it. The average person would struggle to find scripture to help when needed, but this book will get them what they need fast. Very good source to help build faith and confidence. This book is a blessing to all that purchase it.

My memorization tool right here!! All the scriptures I need for my goal

I bought this for my Aunt who is in a nursing home. She had gotten a copy in the "home" library and liked it so much that I got her this one she could keep. It has been quite helpful to her. My aunt is 95-years-old and this book is something she relies on because it's promises that keep her going.

Awesome to read about the promises of our Saviour! Who indeed, will never change! Once He promises it, He can not lie or go back on it! He wrote it in stone from the beginning!

I have loved this book for years. I'm glad to discover it in ebook form.-MrsGwennD

Great to know these promises so I can read and stand on them
