Catherine Coulter FBI CD Collection 2: Point Blank, Double Take, TailSpin (FBI Thriller)

Synopsis

Point Blank: The explosive action kicks off as FBI agent Ruth Warnecki hunts for Confederate gold in a West Virginia cave. She never expects to encounter the grisly murder that catapults her into a horrific plague of death. At Hooter's Motel in Maryland, FBI agents Savich and Carver are nearly killed while attempting to rescue a kidnap victim. The search is cut short when Savich takes a fateful call on his cell, as a mysterious voice threatens to kill him and his wife.

Double Take: A respectable-looking man distracts Julia Ransom with conversation before striking her unconscious and heaving her over the Pier 39 railing into San Francisco Bay. Special Agent Cheney Stone quickly realizes the attempt on Julia's life has to connect to the murder of her husband. In Maestro, Virginia, Sheriff Dixon Noble learns about a woman named Charlotte Pallack, whose extraordinary resemblance to his vanished wife sends him across the country. In San Francisco, Dixon's and Cheney's paths cross, brought together by FBI Special Agents Dillon Savich and Lacey Sherlock.

TailSpin: FBI Special Agent Jackson Crowne is flying renowned psychiatrist Dr. Timothy MacLean back to Washington, D.C., to protect him and discover who's trying to kill him. But they don't make it. Their crash is witnessed by Rachael Abbott, a young woman who has just narrowly escaped drowning. When Savich and Sherlock arrive in Parlow, they discover Jack is down but not out, that Rachael saved his and Dr. MacLean's lives, and that she's hiding something big.

Customer Reviews

Catherine Coulter is the author of the New York Times-bestselling FBI thrillers The Cove, The Maze, The Target, The Edge, Riptide, Hemlock Bay, Eleventh Hour, Blindside, Blowout, Point Blank, Double Take, TailSpin, KnockOut, and Whiplash. She lives in northern California.

Good books. I like that the different people in the book have different voices and there are different genders reading the book.

Love her books

Love these books. I like the idea of being able to listen while I drive.

I had already read the books, but since these were my favorites of the series, I have enjoyed listening to them this time. it adds a different experience over just reading.

Good books for long car rides. Fast paced plots with lots of twists and turns in the plot and a good reader.

I listen in my car. It helps to pass the time. Haven't listened to the last book yet but I do like her books.

great read

This stuff is not made up. Its great.
