Cold Blooded

Synopsis

Detective Gwen Jamison has the highest closure rate in her division, but when a string of armed robberies turn deadly she must race against the clock to find the sole witness that can end the carnage. Standing in Gwen's way is a cold-blooded killer who she fears has murdered before. Lieutenant Ian McKean knew he would have his hands full when he took over leadership of the detectives unit. He wasn't prepared for the headstrong Detective Jamison, though, who quickly becomes a thorn in his side. If they can stop butting heads long enough they might realize they are more alike than either imagined.

Customer Reviews

I love his author , she writes the best mysteries. I can not get enough of her stories. I think I was holding my breath the whole way through this book lol

Could not put it down. Kept me on the edge of my seat! Loved it! More please!

Great read

I gave a rather neutral rating because I don't care for a romantic situation where one party at least is already married and divorced. . Remarrying after a vow isn't Christian. " as long as we both shall live" means no new do-overs.
