A non stop adventure into the lives of detectives trying to find the felons of death. It will keep you turning pages to see what is next coming. If you like crime movies this will open your eyes that not all things work out like on tv. It takes time and investigation on the detectives and the police alike. Nothing is opened up to you at a crime scene. It takes time and patience.

I have just finished one of the BEST police procedural novels I have ever read. This Dallas Homicide was gripping, not in the sense of horror, that it wasn't. It gripped me because I felt Pete. I felt his concern for the people who put themselves in harms way to do the right thing. I don't want to bring other authors into my comment out of respect for John, but I must. Micheal Connelly when he was at the top of his game, John Sanford in his plotting. John C. doesn't have Sanford's looniness,(I love Sanford) but that's ok. I'm inviting anyone who wants a darn good cop drama to read this book, no, buy it because John C. Dalglish is an incredible story teller, *at least in this one and I want him to succeed. And with or with out me he will if this book is any indication.

Author John C Dalgish makes a hero of Peter Brant in this book of murder in Dallas. This, the fourth in the series, is an excellent book that I read in two days as it was hard to put down and the NCAA tournament was too much of a distraction to stay on it. I would watch basketball and read during commercials and half time. Great book, John!

,the plot was excellent as Pete moved forward into solving the murders. All the characters were life like and believable and Pete talking to his late wife Gracie was bittersweet. it was a real good readthank you Mr. Dalglish

Always a good clean read, with the right amount of drama to keep you guessing. Definitely recommend for anyone looking for a good detective story

J.C. Dalglish writes so smoothly that when I start his stories, I just cannot put them down!! I love how he writes a fantastic mystery, and doesn't have to have sex and profanity be part of the story!!!!

It's a good read. It has a good main character and intriguing storyline.

Well Mr. Dalglish did it again with Dallas Homicide (my home town by the way) I read every book of his i can get on my Kindle. All i have to say is keep the books coming. And i will keep buying and reading. Robert Schultz
