Customer Reviews

I found Elena's, "R U in Ireland" YouTube channel about one month ago. I'm so glad I did because is when I began planning my trip to Ireland. I'm sure I watched every one of her videos by now, and over again. You feel as though you are with a friend while watching her take you from one place to another. When I saw that Elana had an ebook out, especially on this topic, I knew I had to get it. And at just \$1.99, you are getting a wealth of information here. She shares those where to go places to visit, places that the \$\$\$ main stream tourist books overlook. This insider ebook, by an Ireland resident is the real deal. Elana's love for Ireland and dedication to share her country with her readers will convince you to come to Ireland even if you're not planning to go there...it's that good!!! Thank you, Elana! Your passion for what you do truly shows!!!!
