Grade Level: Kindergarten and up

Customer Reviews

The Jewish tradition holds that parents bear the responsibility of teaching children the Torah, the ethical way to live, as well as the history of Judaism. But how can parents teach these crucial lessons in ways that are entertaining, meaningful, and respectful? What happens if they can't remember all the lessons and important historical events? This Family Treasury of Jewish Holidays offers some solutions to these quandaries. For instance, by reading the compelling Hebrew stories and poems aloud, parents help children learn through the realm imagination--the place where characters, images, and ancient lessons come alive. "Listening to a riveting story will build anticipation for a holiday, encourage a wish for a Jewish life, and create sweet memories of reading together," offers Malka Drucker in her introduction. The treasury also includes numerous poems, holiday crafts, recipes, and family activities. This is an excellent gift and keepsake for any Jewish household with young children. --Gail Hudson

Opening with Rosh Hashanah, this oversize volume focuses on nine holidays and also discusses

Shabbat, supplementing clear explanations with stories by such writers as Isaac Bashevis Singer, crafts and recipes, songs, even a play for Purim. "Truly a treasury," said PW in a starred review. All ages. Copyright 1999 Reed Business Information, Inc.

fun book

I have only skimmed this book but it is easy to see that it is going to be a wonderful resource

Fabulous book! Great for little AND big kids too!! Easy to understand.

I will be ordering a copy for each of my sons to take with them when they leave the house and start their own journeys...and own families. Wonderfully written, compiled, and illustrated.

nice, real, calm pictures, great stories that are diverse, all around excellent resource for studying Jewish year of worship and tradition.

If you need to learn about Jewish holidays with your children this book is great. Clear, concise, interesting, love the color illustrations.

Fantastic book!

this is a good book .simple for all ages.
