# Modeling Clay Creations (How-To Library (Cherry Lake))

## Synopsis

Complete a variety of fun craft projects using modeling clay. Crafters practice reading comprehension as they follow the steps for each project. The easiest crafts are at the beginning, to allow the reader to practice scaffolding their knowledge as they learn the domain-specific vocabulary.

## Book Information

Lexile Measure: 810L (What's this?)

Series: How-To Library (Cherry Lake)

Paperback: 32 pages

Publisher: Cherry Lake Publishing (August 1, 2014)

Language: English

ISBN-10: 1631378031

ISBN-13: 978-1631378034

Product Dimensions: 7.2 x 0.1 x 9.2 inches

Shipping Weight: 4 ounces

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #6,596,915 in Books (See Top 100 in Books) #54 in [Books > Children's](#)

Age Range: 8 - 11 years

Grade Level: 3 - 6

## Customer Reviews

Gr 3-6-Each of these charming books starts with some history and definitions, a page of information about materials, and, where applicable, instructions for making supplies (washi tape, modeling clay). Decorative or gift items make up the bulk of the six to eight projects per volume, with a few puppets and jewelry items for good measure. Directions are clearly written but illustrated with drawings, not photos, which will make it harder for crafters to check their progress against the images and may lead to some subpar results. Sidebars encourage experimentation, and a page at the end suggests ways to continue crafting or extend the projects from the book. Learning to Sew, Tissue Paper, and Modeling Clay include solid suggestions for developing skills that kids can use in further projects. The rest of the set, while attractive, bring little to the craft table. (c) Copyright 2014. Library
