# Easy Spanish Phrase Book NEW EDITION: Over 700 Phrases For Everyday Use (Dover Language Guides Spanish)

## Synopsis

Designed as a quick reference tool and an easy-to-use study guide, this inexpensive and up-to-date book offers fast, effective communications. The perfect companion for tourists and business travelers in Spain and Latin America, it features words, phrases, and sentences that cover everything from asking directions to making reservations to ordering dinner. Over 700 conveniently organized expressions include terms for modern telecommunications as well as phrases related to transportation, shopping, services, medical and emergency situations, and other common circumstances. A phonetic pronunciation accompanies each phrase.

ISBN-10: 0486499057

ISBN-13: 978-0486499055

Product Dimensions: 5.3 x 0.2 x 8.2 inches

Shipping Weight: 2.9 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 503 customer reviews

Best Sellers Rank: #609 in Books (See Top 100 in Books) #1 in [Books > Reference > Etiquette > Conversation](#) #1 in [Books > Travel > Reference > Phrasebooks](#) #5 in [Books > Reference > Words, Language & Grammar > Reference](#)

## Customer Reviews

Pablo Garcia-Loaeza is an Assistant Professor of Spanish at West Virginia University, where he specializes in Latin American literature and culture. He is the author of four other Dover Spanish Language titles.

I was taking an online course and thought I was making slow but appropriate progress. Because this book had full sentences and phrases that I would be using in travel and real life situations, I decided to buy it. For \$2.00, this book has taught me more in a week than I learned in 8 weeks with Duolingo. Now instead of learning to say things such as, "My dog likes to drink water," and "The penguins don't like my sister's blue dress," I can actually order in restaurants, ask directions, shop, ask for help, etc. To be useful, you will either have to carry the book around with you, or make

flashcards and memorize the questions and answers. I recommend both. The book also has pronunciation guides to improve your accent. If you are interested in conversation rather than grammar, you will really be pleased with this Dover edition.

I love this book! It gives you phrases in English, their Spanish translation below that, then lists the pronunciation of the Spanish translation. The one thing I struggle with is wondering if I'm pronouncing things correctly. This takes the guesswork out of it. Phrases are practical and useful -- things that you would want to know for general conversation. I highly recommend this book. You will not be disappointed.

If you serious about learning, this is the best value for real results.

Handy book to carry with you on a trip to any Spanish speaking country.

I downloaded this when I was in Mexico completely at a loss for getting around in Spanish. It is useful on pronunciations since there is a phonetic line for each phrase but a basic print version English-Spanish dictionary would have served me better and allowed me to point to words if my pronunciation was not being understood.

I bought this book for a trip to Chile. It fit easily into my purse and I used it a lot! If there was a word that I couldn't pronounce correctly, the person could read the phrase or question from the book. The book is clearly broken down by the situation you might want to communicate in Spanish. For example, in the restaurant, or in the hotel, or traveling in the city.

Love the format of the book and how simple it was to follow along. I recommend it!!!

Good product, easy to use. Would buy again and recommend.
