## Customer Reviews

Just remember this is a tiny carry around, not a book

I purchased this and the Morocco multi-format eBooks direct from RoughGuides.com. I find them both to be disorganized and frustrating to use. One example is that they have intermixed information about Essaouira, a city ~3 hours away, with Marrakesh information. It's a bonus to have information about Essaouira, but it belongs in a separate section. This is more of a reference book than a way to efficiently plan your time.
