Abstracts In Acrylic And Ink: A Playful Painting Workshop

Synopsis

Splatter, stamp, scrape, repeat. A quick-start guide to beautifully layered and textured abstracts! While there are many approaches to painting abstract art, Jodi Ohl's philosophy is to simply start. In this book, the successful, self-taught artist helps you "dive in with an open mind and fearless heart." Everything inside is geared toward kick-starting your creativity: An exciting series of 22 fun-to-follow, step-by-step projects. A tantalizing variety of approaches and inspirations for applying and manipulating paint, crayons, pencils, ink, paper, photos and more. Quick and loose exercises for building a library of ideas, color palettes, patterns and designs to use in future paintings. Loads of practical advice, including how to stock your studio without going broke, the five must-haves mediums, and how to finish and protect your artwork. For beginners eager to get to the "good stuff" and for artists looking to expand their repertoire, it just doesn't get any better. Every action-packed page will have you trying something new and pushing your boundaries! Make marbled acrylic skins * Add a stain * Discover instant gratification with Yupo paper * Achieve the wonderfully aged look of image transfers * Play with graffiti-style art * Experiment with gel mediums * Incorporate non-commercial add-ins like eggshells and netting * Create incredible abstract landscapes and cityscapes * And so much more!

Customer Reviews

Jodi Ohl, Aberdeen, NC, sweetrepeats.blogspot.com, www.jodiohl.com, is a self-taught mixed-media artist. She is published in over twenty-three international mixed media magazines as well as a contributor to five mixed-media books. Jodi is a popular mixed-media art teacher online

and in person, teaching at both large and small venues around the country.

I buy many, many art books and mostly mixed media oriented topics -- and I am picky, and I don't often review books. But this book is worth more than 5 stars to me. Everything about it is wonderful and I think it is a perfect combination of attractive (to me) projects and techniques. Although it is step by step technique, it isn't a "make this" crafty project book nor do I find myself not finding the techniques approachable. I am excited to dive in and see where it takes me. Wow is all I can say --- and I hope to someday take an in-person workshop with Jodi.

Item as described.

fabulous book, love it. Great service from seller.

Excellent book. Haven't all of it yet, but it is full of ideas and techniques.

Love Jodi Ohl and her book is just as good as her in person appearances.
