Customer Reviews

I bought this so my child can learn how to do his signature, and write in cursive- it was fun for a whole group.

My son really wanted to learn cursive and enjoys doing this workbook on his own.

Great for the kids or adults to practice the forgotten art of cursive handwriting. Easy to follow to practice and perfect the new skill.

Great product....fast delivery!

Using it to teach my son cursive, as it is no longer part of the curriculum under Common Core! He is learning fast, and this book is a great help.
