~b~>Roma Downey - A multiple Golden Globe and Emmy nominated actress, Roma starred for almost a decade as the angel "Monica" in the hit CBS television series, Touched By An Angel. She is also producer of the children's DVD and book series "Little Angels" and its companion Little Angels Storybook Bible. Mark Burnett - Multiple Emmy Award winning producer of some of the biggest prime time network television shows in history including Survivor, The Apprentice, Shark Tank and The Voice. Has produced over 2,000 hours of American prime time programming airing in over 70 countries. This husband and wife duo recently collaborated for their most ambitious project to date: producing together a ten hour global television mini-series titled The Bible.

Although this novelization from the producers of "The Bible" miniseries (History Channel, 2013) is

allegedly designed for youths aged 7 to 12, the text is elevated for that level, and may even be appropriate for teenagers through sophomore year of high school. This small hardcover book with glossy dust jacket is an abbreviated form of the larger hardcover edition of "A Story of God and All of Us." It's actually a bit more readable since it moves along at a fast pace while giving you the same overview of the Christian Bible's central themes and covenants, in addition to some of the key stories from both testaments. If you're looking for a contemporary novelization of the Bible that is written at the level of today's youth, I highly recommend this one. It's somewhere between a comic book/illustrated Bible and the real thing, making it a good intermediate step for young people growing toward a fuller appreciation of the sacred text itself.

I find this to be a wonderful book especially for young Christians not necessarily young in age but those who are young in the faith

My 10 yr. old grandson loved it. Reading stories from the Bible in the form of a continuous story really appealed to him. I highly recommend this book.

Bought this and a few other books for my daughter since she loves reading about the bible and what not... she has read most of it so far :)

I love the simpliity of this great book. It wa done well and everyone should read it

Love it

Loved the tv show - so it was nice to get this for my 9 yr.old son who is really enjoying it.

It is like the author was reading the bible while writing this book -- just rewording it into her own words. Not spellbinding. I'd much rather read the Bible.
