My 8 & 6 year old boys have all 3 in this series! They love them & look at them constantly. Even my 2 year old will look along. My oldest likes to read them. We couldn't wait for this 3rd one to come out. They got the other 2 for a birthday & Easter present. Keep making these!!!

The kid loved the entire series - I bought all the volumes for him. He still reads them over and over. The kids at school love them too!

My son put down his Lego build and started reading the book to his little brother when it arrived. They could not be happier! They love the story and since my son is dyslexic, I was thrilled that he is entranced by the book. The font is great. Cute story : I read it, too.

grandson loved the comic book format. had all three read in one day. can't wait for more to come out

Nephew loves this series.
